THE LOCAL PREACHER'S LIBRARY

The following list comprises books that are specially serviceable for a Preacher's use in Pulpit preparation and general reading.

A Local Preacher, or Local Preacher on Trial, may obtain any of these books at one-half price, not exceeding 30s. worth at published price in a year, *i.e.*, from Conference to Conference, from the Connexional Local Preachers' Committee.

Owing to the heavy charge this concession makes on its funds, the Committee hopes that Local Preachers, who do not really need such assistance in the purchase of their books, will therefore not avail themselves of this means of help. The concession is not made for Local Preachers' Circuit Libraries or for Presentations.

The Preacher's and Class Leader's Magazine, published price 4s. per year, may be obtained at one-half price, with 6d. additional for postage, a total of 2s. 6d. a year. This 4s. is reckoned as part of the 30s. total amount referred to above.

Copies of the Catalogue and the Book Order Form may be obtained, on application with stamp for postage, from the General Secretary, Mr. R. ARTHUR BUTTON, 1 Central Buildings, Westminster, S.W.1.
